Writer Gets Doctrinated At Air Base

Witt Copp, free lance writer from New York, visited Hondo Air Base Friday to observe military cadets in everyday activities.

is gathering script material for a weekly television show by Taylor, United States Air Force, which is expected to appear on the NBC network this week.

Explaining to Base Commander V. Riley that Stewart-Reyes Productions had just finished a sequence at Lackland and Hondo was the nearest place to gather information for another film, Copp stated that while the film would not be at Hondo Air Base, the information gathered at the base would be utilized in the near future.

Methodists At Conference In San Antonio

Approximately 500 Methodists ministers and laymen are gathered at Travis Park Methodist Church for the four-day meeting of the 97 annual session of the Texas conference.

are more than 250 churches in the six districts of the conference.

Attending the conference from Hondo are Rev. Leslie A. McDaniel, Pastor, First Methodist Church, Hondo, O. A. Fly, Dele, and Alfred G. Brucks, pastor, A. J. Hardt of Yand, and Rev. W. L. Hornung of Fountain also attended.

Issues facing the delegates include balloting for delegates to general and Jurisdictional conferences, voting on change from eight districts, consideration of support of Latin American churches, and action on reports and resolutions.

Bishop A. Frank Smith, residing in the area, presides over the business sessions. Bishop Donald Tippet, presiding over the conference, presiding over the personalities include M. A. Childers, president of the Judicial Council of the Methodist Church, and Dr. Edwin Calhoun, former district superintendent of the San Antonio district and presently with the general Commission on Chaplains, Washington, D. C. Judge Childers was honored at a dinner May 23 at the Plaza Hotel.

Calhoun is the speaker at the memorial service, for ministers who have died within the past year.

Teas and receptions will honor visitors and delegates. Reading of appointments by Bishop Smith brings the session to a close at noon on May 27.

Thirty-Five To Receive Diplomas Friday

Thirty-five candidates for graduation from Hondo High School will receive their diplomas from Bruno A. Schweers, member of the board of trustees, on Friday, May 27, at 8 p. m. in the high school auditorium.

The invocation will be given by Lloyd DeGrodt, Miss Monette Schweers, valedictorian, Miss Audrey Lindeman, salutatorian, and Glenn Schweers, class president will speak, Miss Gayle Knight will sing "I'll Walk With God." Mrs. C. D. Sadler is pianist.

After the benediction by Monte Williams, the Senior Class and audience will sing the school song "For Hondo's Honor and Glory."

PROCLAMATION

Whereas it is a national custom to pay our respects on Memorial Day to our honored dead, and

Whereas our Hondo Veterans Organizations have arranged a special program for Memorial Day, and

Whereas we deem it an honor and a privilege to join in these ceremonies, we

Proclaim Monday, May 30, as Memorial Day in Hondo, and urge all citizens to take part in ceremonies on that day.

Bobby Dile Loses Foot As Cycle Brushes Automobile Bumper

Robert W. (Bobby) Dile, 20, lost his left foot when a motorcycle on which he was riding came close to a car entering 14th street from Avenue W Friday night at 8:15.

He was riding on the back of a motorcycle driven by his brother, Richard, 25, and the two were headed west on 14th. His leg apparently caught on a bumper of the car driven by Jose M. Ortega, a 1947 coupe, who had started to enter 14th street, and while the bumper of the car was torn loose, there was no visible damage to the motorcycle.

After the accident, Bobby told

his brother that his foot was cut off, and to rush him to the hospital. It was about two blocks from the scene of the accident that Richard turned his vehicle around, held his brother with one arm, and drove to the hospital.

Bobby hopped into the hospital, where he was given treatment, all the time insisting that it wasn't so bad. Police Chief O. W. Swartzell said that he had never seen such a brave boy.

Bobby works for the highway department, and Richard works in Del Rio. Richard was home visiting for the weekend.

Sewers Will Serve NW City

When bids are received and compared, construction can be expected to start soon after on \$27,000 worth of new sewers which will serve the northwest part of Hondo, said Mayor O. A. Fly this week.

When the sanitary facilities are in place, it will be possible to eliminate many of the open pit toilets now used in that area. Present laws covering sewer connections are of no help where there are no drains within reach.

Construction Begun On Guard Armory

With the moving on location of a construction shack, work seems ready to commence on the National Guard Armory building to be constructed in Hondo.

Located on five acres donated by the city out of the old Navigation Village site, it will furnish a permanent home for the Hondo company of National Guardsmen, and also will be available for large community gatherings.

Guard officials said that much of the credit for bringing the armory building into reality should go to Jim Amberson, who made many trips to Austin urging the construction. He was also assisted by J. S. MacManus.

2 Schultzes Helped TLC Make Record

SEGUIN — Milton and Ivan D. Schultz of D'Hanis helped the Texas Lutheran College Bulldogs, the "winningest" baseball team in Texas, set a record this year by winning 14 straight games against some of the best collegiate nines in the state.

Included in the Bulldogs' 14-game winning streak were four over Texas Tech, two over Baylor, University of Houston, Sam Houston State, and St. Edward's University and single victories over Rice Institute and Texas Christian University.

The Bulldog squad, made up of freshman and sophomore players, with the exception of one senior shortstop, had a 15-3 record for the season.

Pictures of all the high school graduates in Medina County and a brief history of their school accomplishments are to be found in this issue of the Anvil Herald.

We salute the fine young men and women who have achieved a milestone in their road to success.

HAB Wives Raise \$198.90 For Red Cross Fund

Fifty Hondo Air Base Wives rang up the sum of \$198.90 in their recent Red Cross drive for funds.

The women staged a house to house canvass for the campaign. Mrs. W. C. Woodrum was chairman of the drive.

CORRECTION

In reporting that rainfall nearly washed away the barbecuers at the recent affair held for the aviation cadets and military personnel, it must have washed away part of the story as well.

The barbecue was an affair given jointly by the City of Hondo and the Chamber of Commerce. The story, as it appeared last week, said that the barbecue was sponsored by the chamber and left out mention of the city.

The barbecue was under the general direction of Dean Reed, chairman of the special events committee for the chamber of commerce.

JUVENILES ADMIT MANY THEFTS

A theft ring of juveniles was broken by Sheriff C. J. Hitzfelder and Deputy J. L. Kempf Saturday morning. A call from J. S. MacManus of the Hondo Ice Company that a 9-year old boy had been caught trying to rifle the cash drawer, was the means of stopping a ring of five juveniles who admitted to previous thefts at the Ice company and Huesers Service Station.

Questioned with the 9 year old boy was another companion, 10 years old, who finally admitted that they knew the names of the boys who had broken into the ice company on May 1 and stolen cash from the store room.

As a result of the questioning, three other boys, 12, 13 and 15 years of age, were picked up. The 16-year old admitted that all had participated in previous thefts from the ice company and that they had taken an unknown amount of cigarettes from Huesers' service station at different times.

Stores Close 9 to 12 For Parade, Services

LT. HUNTER PRESENTED WITH D. F. C.

One of the highlights of Armed Forces Day at Hondo Air Base Saturday, was the presentation of the distinguished flying cross and air medal to First Lieutenant Charles W. Hunter by Lt. Col. Earl V. Riley, commander of the 3304th Pilot Training Group.

A colorful parade, headed by the Hondo High School Owl band, passed in review before a stand of military and civilian dignitaries. Flyovers of T-33s and F-51s added thrills to the impressive scene.

The open house and graduation ceremonies were well attended. Brigadier General John H. Foster, commander and a nd originator of the Alamo Wing of the Air Force Reserve addressed 107 students who received their certificates of proficiency.

Memorial Day services have been planned for Hondo on Monday, May 30, to which the public is cordially invited, according to the committee of veterans in charge of the event.

A parade, scheduled for 9 a. m., will form at the corner of Avenue P and 20th Street and will go down Highway 90 east to the red traffic light, turn left on Avenue M, right on 18th Street, right on Avenue K and proceed to Memorial Park on the corner of Avenue K and 20th Street.

Chaplain William T. Kendrick of Hondo Air Base will place two flags at the Blue Star Memorial Marker on Highway 90 placed by Texas Garden Clubs, Inc., and the Hondo Garden Club. A formal salute of eyes left will be given as the parade passes the marker which is a living tribute to this Nation's Armed Forces. At the marker to receive the salute will be Charles Korbell, maintenance foreman for the Texas Highway Department and members of the Hondo Garden Club Highway committee, Mesdames Fabian Garrison, Everett Vincent, Sam Lanham, J. S. MacManus and Charles Corbell.

The Prelight Drum and Bugle Corps of Lackland Air Force Base, cadets of Hondo Air Base, National Guard of Hondo, all the veterans organizations, B I u e Birds, Camp Fire girls and the Boy Scouts will assist in making this one of the outstanding events of the year.

On the program at Memorial Park are Lt. Col. Earl V. Riley, commander of the 3304th Pilot Training Group and Chaplain Kendrick of Hondo Air Base. The clergy will be represented by the Reverends Benjamin Bonazza of St. John's Catholic Church and Merced Becerra, Mission Baptist Church. Others who will be heard are Elmo Pope and Henry Martin Finger.

In keeping with the holidays set aside at the beginning of the year by the Retail Merchants Committee of the Chamber of Commerce, stores will close from 9 to 12 a. m.

Eight Grades For Yancey Next Semester

Yancey will have eight grades in their school system again next year, following action by the Medina county school board, which heard a request May 12.

The Yancey school board, along with about a dozen patrons, made the request of the county board, stating that they expected about 24 students for the high school next year, if attendance followed expectations. They told the board that their children would prefer to attend school locally, and that they would have a better opportunity to participate in sports, since the long bus rides they now take interfere with after-school athletic activity. Attendance might be better, they felt, if school were held in Yancey.

The county board, after hearing the request, voted unanimously to continue another year with eight grades. This is an annual decision, and is considered each year on the basis of the situation as it exists.

Requests for transfers for next year have been made to the county board, and they will be considered at a meeting in June. It is not known whether any protests will come up, but some may be expected in connection with elementary school transfers.

Board OKs Purchase Of School Site

The school board has authorized the purchase of 10 acres of ground as a site for an elementary school.

The ground is located in the northeast corner of the Victory Homesites, which fronts on 24th St. and Ave. Q.

Supt. J. G. Barry said conditions in two of Hondo's three elementary schools are crowded. They are the Central and West Ward schools. The third, the Marian Anderson School for Negro grade students, is not crowded.

ANVIL HERALD EDITOR RESIGNS POSITION

Fred McGahey, who has been news editor of The Anvil Herald since last summer, has resigned. No successor has been named, and news will be handled by other staff members, according to W. E. Berger, publisher.

VFW Poppy Sale Saturday

Hondo Veterans of Foreign Wars will conduct their annual poppy sale Saturday with profits earmarked for local veterans relief work and hospital activities. Harry Freeman is chairman of the sale.

Started in 1925, the poppy sale is held annually on the Saturday nearest Memorial Day.

The poppies are assembled in government hospitals by disabled veterans. The sale has been endorsed by the President, governors of all states and mayors of all cities where it is conducted.

W. T. Hardy Buys Furniture Store From Jaegli, Lowe

Sale of the Hondo Furniture Company to W. T. Hardy was announced this week by Bill Jaegli, who has been operating the store for the past few years in partnership with C. V. Lowe of Uvalde.

Hardy will take over on June 1, resuming a business which he founded in Hondo in 1946, and built from an upstairs location to a large concern before selling it in November 1952 to Jaegli and Lowe.

Hardy says that he will do business as before, featuring nationally advertised products such as Kroehler, Simmons, Armstrong and Lees.

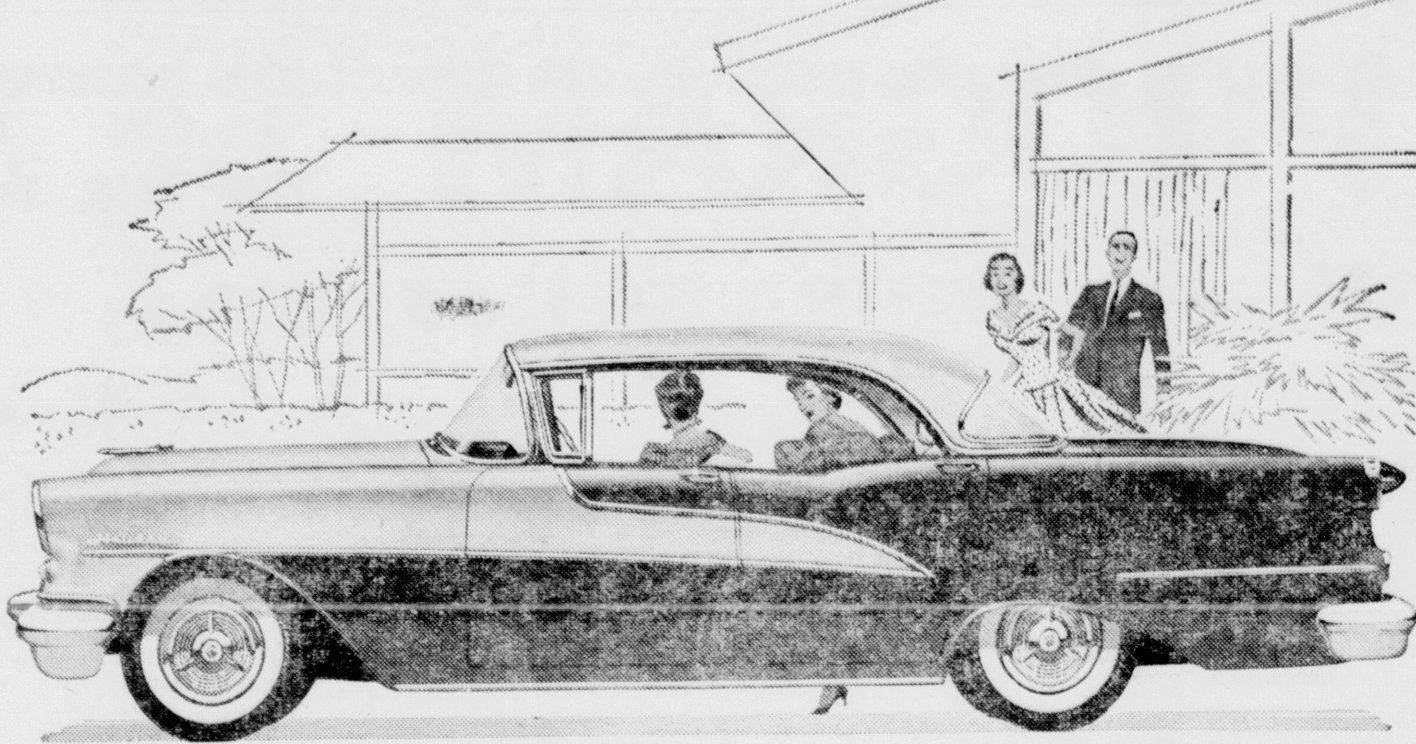

Jaegli said that he and Lowe appreciated the business given them during their stay in Hondo, and that they had enjoyed doing business with so many fine people. Jaegli said he would announce his plans later.

CATTLEMEN LEARN ABOUT PARASITES

Livestock men are learning something new about their cattle.

They are finding that internal parasites can cause a terrific economic loss when beef is marketed.

Internal parasites have not always been considered a big threat by beef cattle producers but recent research indicates that cattlemen, just like sheep producers, have their profits cut every year as a result of internal infestations.

Great results have been obtained in internal parasite control through the use of small amounts of phenothiazine in livestock feeds.

"Low level feeding," the researchers call it. Excellent results have been obtained in the Southeast where the danger is greater than it is here in the Southwest.

LaCoste High Winds Up Year With Round Of Activities

Baccalaureate services were held in the school gymnasium, May 15, with Rev. David C. Meurer of St. Louis Catholic Church, Castroville, delivering the address. Hymns were sung by the high school glee club, directed by Mrs. Flora S. Graham, who also played the piano for the processional and the recessional. A song was rendered as a vocal trio by Shirley Bohl, Virginia Hutzler and Rhonda Lee Keller, members of the junior class. Shirley Bohl and Donnie McAskill, juniors, led the procession of seniors into their reserved section.

The school gymnasium was the scene again on May 16, of the graduation exercises. Rev. Leo Benorden of Zion Lutheran Church in Castroville gave the opening and closing prayers. Branch T. Keller, Jr., salutatorian, gave the welcome address, followed by a message from the class president, Marlene Salzman, and comments from the class grumbler given by Bobby Mangold. The class optimist was represented by James Geiger.

Supt. A. D. Blue presented various awards, after which Kathleen Lamont presented the class gift, a check to be applied on the purchase of an automatic water cooler. Cecil Willis, high school principal, presented the class to E. J. Keller, president of the school board, who issued the diplomas to 16 graduates.

The class then sang "Now Is the Hour," and Franklin Bohl, valedictorian, gave the farewell address. Mrs. Flora S. Graham accompanied the song and played the piano for the processional and the recessional. Junior girls served as ushers.

Preceding the presentation of awards by Supt. Blue, Cecil Jones, elementary principal, issued certificates of promotion to high school to 20 junior high students.

Seniors participating in the graduation exercises were: Franklin Bohl, valedictorian; Branch T. Keller, Jr., salutatorian; Marlene Salzman, class president; Joseph Duron, Jose Caseres, Robert Espino, Guadalupe Garjardo, Ruby Halbardier, James Geiger, Ernest Hinojosa, Kathleen Lamont, Marlin Lindsey, Bobby Mangold, Wesley Olivan, Norman Tondre and Maria Zamora.

School closed officially on Wednesday, May 18, but Thursday the Seniors and the Juniors were out in full force for their final activities. The juniors spent a

day at Landa Park on a picnic they had won at the expense of the other high school classes by achieving the highest average daily attendance for the entire school year.

The seniors were all set, vaccination certificates and all, for a three-day stay in Monterrey, Mexico. They were accompanied by M&M A. D. Blue; Cecil Jones, class sponsor and Mrs. Jones; M&M F. Duron. The party returned on Sunday, May 22 and some of the students had jobs waiting for them Monday.

ST. LOUIS SCHOOL NEWS

By Rosalie Stein

Final exams were held at St. Louis during the week beginning May 15 and students received final report cards on May 25.

Baccalaureate for the seven graduates took place in St. Louis Church on May 22, with Father Thomas A. Ryan, O. M. I., delivering the sermon. Decorations for the altar consisted of red and white gladiolas, the Seniors colors. The Seniors and the grammar school graduates received communion in a body.

Graduation exercises were held in Koenig Park Hall on May 25. The graduates are: Margaret Karm, Rosalie Schuchart, Betty Lou King, Marilyn Zinsmeyer, Harold Keller, Henry Mueller and Denis Zinsmeyer. Speaker for the exercises was Father Clifford J. Blackburn, O. M. I. Refreshments and a dance followed the exercises with music by the Lackland Blue Notes. The hall was decorated with red and white roses, class flowers of the Senior Class.

Arlene Bippert of the Junior Class was chosen to attend Girl's State at Austin in June, and will participate in the government functions and activities. Wilfred Haby will be the boys' delegate to Boy's State during the same month.

300 See Castro High Seniors Get Diplomas

By Ruth Curry Lawler

CASTROVILLE — The Castroville High School Graduating Exercises were attended by about 300 relatives and friends of the seven graduates.

Judge Raymond Gerhardt, guest speaker, gave one of the most entertaining talks that has been heard in the auditorium, judging from the comments and applause of the audience. His advice to the graduates was to follow their motto, "Hitch your wagon to a Star" and to remain in Castroville, a town that has future possibilities.

Wednesday, Miss C. Genevieve Lawler and Miss Ruth Lionberger attended the Commencement Exercises at the school for the blind in Austin. Miss Selia Garza of Castroville, who has been a student at school for two years, had a part in a play which was given by the students.

Miss Garza, who had not attended any school until she entered the school for the blind, has earned to type and plans to work at the Light House in San Antonio this summer.

BRUSH CLEANING PAYS OFF

A pair of Jim Hogg County ranchers have pretty good proof that brush control pays off.

The Benavides Brothers sold a truckload of calves out of a 1,900 acre pasture where they had controlled the brush. The 43 calves sold for \$3,996 or \$92.93 a head. They still have another 110 head of cows and seven bulls in the pasture, spent no money for supplemental feed during the winter and still have green grass.

Another pasture in the county in which the brush wasn't controlled sold 15 calves for \$1,092 or \$72.80 per head. They had been creep fed and the cows received 15 to 20 pounds of hay a day. This pasture received four more inches of rain than did the Benavides pasture.

D'Hanis Grads Hear Eldridge At Ceremonies

By Mrs. Amos Finger
D'HANIS — Commencement Exercises of the D'Hanis High School took place in the school auditorium on Friday evening, May 20, at 8:15 o'clock.

The invocation by Rev. O. B. Kahlich followed the procession, after which Jacqueline Nehr, salutatorian, gave her address, "The Thrill of an Idea." The high school chorus sang Elgar's "Land of Hope and Glory" followed by Mary Turner's valedictory address, "Youth Weeks a New Working Principle."

The commencement address, delivered by Gail P. Eldridge of Hondo, emphasized the value of spiritual happiness as compared with that of a material kind.

Elementary certificates were presented by Supt. J. M. Slavik to the following students completing the eighth grade: Thomas Fillinger, Mary Fohn, Harold Lutz, Linda Nester, Norma Nester, Geronimo Ortega, Jesse Reyna, Mary Reyna, Mary Rodriguez and Jeanie Sprott.

R. F. Wolff, president of the board of the trustees, made the presentation of high school diplomas to the members of the graduating class as follows: Richard Finger, Consuelo Ibarra, Olyne Lutz, Margaret Mueller, Jacqueline Nehr, Martina Rodriguez, Mary Turner, Harlan Wolff and Larry Zerr.

Other awards, medals, scholarships were presented to the valedictorian, salutatorian, and high-ranking boy, Harlan Wolff. Jacqueline Nehr received a special medal for service to her school.

The benediction by Rev. O. B. Kahlich preceded the recessional march.

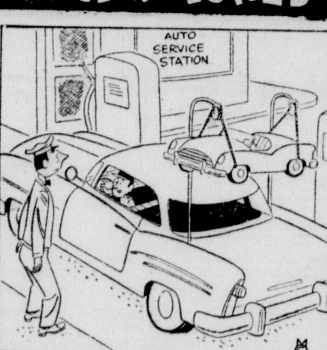

Nine Natalia High Seniors Graduate 20th

Graduation exercises for nine Natalia High School graduates were held Friday, May 20. They were addressed by Dr. Felix Ulrich.

Graduates are Maria (Cuca) Martinez, Victor Padilla, Juanita Pedroza, Elizabeth Tudyk, William Joe Whitley, George Busby, Mary Jane Khan, Margy Herring and Harold Davis.

The Rev. Laddie Jasek gave the invocation and Supt. J. N. Kaderli introduced Dr. Ulrich. Johnny Ward, Jr. presented promotion certificates and high school diplomas. H. D. Savage presented the WOW award, and Principal Jack W. Caves the scholarships. The benediction was given by the Rev. W. A. Engstrom. Mrs. Elizabeth Sutter served as piano accompanist.

Angler Drowning Rate For '55 High

AUSTIN — Texas fishermen and boaters are drowning at a record rate so far this year, according to Game and Fish Commission records.

The commission's executive secretary said game wardens put the chief blame on carelessness and inexperience in operating new and strange watercraft equipment.

Eighteen fishing and boating fatalities already have been reported this year. As compiled by the state board of health for the entire year of 1954, the total deaths involving small boats was only 44 victims.

The executive secretary said most of the fatalities in this year's unprecedented toll are from boats overturning principally from power causes or from rough water.

The 44 small boat victims in '54 were in addition to the 397 persons who drowned from all other causes in Texas. This was an increase of 42 over the '53 casualty figure.

The 1955 death rate has become so alarming that some remedial steps already have been advocated. The Fort Worth U. S. Engineers office announced that small craft warning stations have been installed at Garza-Little Elm reservoir, Red trian-

gular pennants will be flown when winds higher than 25 miles per hour are forecast.

The city of Austin has tentatively approved a \$2.50 tax per boat for Lake Austin. The revenue would finance increased patrol protection, Houston city authorities have become officially concerned over the dangers in Lake Houston as reflected by fatalities. And the Corpus Christi Caller-Times newspaper editorially advocated definite safety measures after the second drowning this year in Lake Corpus Christi. Fifty persons have drowned in this lake in the last 25 years, the newspaper reported.

The executive secretary said night accidents were taking a heavy toll of fishermen this year. Ten anglers already have drowned while fishing at night. Most of these fatalities involved motor boats.

The state Dept. of Public Safety also has noted the unusual number of water tragedies in observing the number of calls for its diving equipment from many parts of the state.

The executive secretary said many of the tragedies could have been averted by greater use of life preservers. He said none of the victims reported to date wore a life preserver.

Deer Move Short Distance In Lifetime

AUSTIN — Game and Fish Commission technicians have determined that deer move over small areas when comparatively short distances mean the difference between food and starvation.

The Director of Wildlife Restoration said the studies have been made in the main deer ranges in the Hill Country of Central Texas where the drought has intensified already acute conditions caused by deer overpopulation and faulty soil practices. The inquiry covered October 14 through March 10.

While the research continues to implement proposed management techniques, the initial investigation showed that from a regional standpoint the maximum movement was within a circle approximately one mile in diameter.

Here's the formal field report on the first phase:

"The initial phase of the deer movement study was begun on October 14, 1954, and terminated on March 10, 1955, in Mason, Gillespie and Llano Counties. The chief purpose of this study was to determine, as far as possible, whether there was any appreciable movement of deer within and/or between vegetative types in the Hill Country.

"Four trap lines, each approximately 20 miles in length and running, generally, in a north-south direction, were operated. Cottonseed cake, yellow shelled corn and mistletoe were used as bait to draw deer into the aluminum traps. Each trap was fenced to exclude livestock.

"The four trap lines operated were given the following names, for the purpose of differentiation: Hilda-Doss line, Cherry Springs line, Enchanted Rock line and Packsaddle Mountain line. Each line was situated along a course which traversed three major vegetative and soil types, with trap sites equally divided among these types. The north ends of the lines extended well out into the granitic soils, where beebush and mesquite are the dominant species. The middle one-third of the lines traversed the persimmon-elm-live oak type where the granite gives way to sandstone. The southern ends of the lines extended out of the Central Mineral Basin into the limestone-caliche soil where shin-oak, spanish oak, post oak and blackjack predominate.

"A total of 102 deer, including 65 does and fawns and 37 male deer were trapped, tagged with numbered cattle ear tags holding colored plastic discs, striped with paint across the rump patch, and numbered with 10 inch numerals painted on each side midway between the hips and the shoulders. One stripe across the rump indicated the deer was tagged in the granite soil type; two stripes indicated the deer was tagged in the sandstone soil type, while three stripes marked a deer from the limestone-caliche soil type.

"Forty-one deer were re-caught one or more times, with one spike buck leading the field by getting trapped six times in the same trap. All recatches, with only three exceptions, were made in the same traps in which the deer were originally caught. The three deer which strayed were retrapped within one-half mile of the site where they were originally tagged.

"Two tagged bucks and one tagged doe, bagged by hunters during the open season, November 16 through December 31, 1954, were killed within 500 yards of the spot where they were trapped and tagged the preceding October. The carcasses of five tagged deer have been found to date, none of which has been more than 600 yards from the site where it was tagged months earlier."

ABOUT THIS ISSUE

This issue of The Anvil Herald was printed under difficulties. The news press, in its last week of operation, decided it just couldn't make another 3,100 copies, and broke down with sixteen pages left to print. The pages were taken to Crystal City, where they were printed on a press in the Zavala County Sentinel office. Four smaller pages were run on the Anvil Herald's job press, which accounts for the two smaller sheets seen in this week's issue.

A newer and much better newspaper press has been purchased, and is scheduled for installation in Hondo this weekend. We hope that it will be ready to produce the next issue.

Comets Trounce D'Hanis

By Gerald W. Kempf

CASTROVILLE — Harold Keller, ace fireballer of the St. Louis Comets, notched his ninth win of the season as he set down the D'Hanis Cowboys, 8-1.

The victory, avenging a previous 4-0 Comet loss to D'Hanis, set the Comet season record at 16 wins and 7 losses.

Keller had good control as he yielded but six bases on balls, while mowing down 16 Cowboys on strikes.

The Comet ace had a no-hitter going until third-sacker Gallegos of D'Hanis opened the seventh frame with a double to left. Keller's shutout was ruined when Gallegos scored on two successive wild pitches.

Harlan Wolff started and was the losing pitcher for the Cowboys. He was tagged for eight base hits, while fanning three and walking five.

Dennis Haby led the Comets at bat, driving in three tallies with two singles in four trips. Royce Groff and Stephen Haby each also managed to get two singles in four attempts, with the latter's driving in two runs.

Comettes Win Over Hondo, Lose To D'Hanis

D'Hanis won their second game with the Comettes on Tuesday, May 17. Mary Lois Langfeld received the win, and Rosalie Stein was the losing pitcher.

Both teams had a field day in base running, raising the score to 22-17. Home runs were hit by Mary Lois Langfeld and Rosalie Stein.

The Comettes drew up their fourth win this year with a score of 7-1 against the Hurricanes in a game played at Castroville May 18. The Hurricanes scored a lone run in the first inning off winning pitcher, Rosalie Stein, while the Comettes attacked the fireball pitching of Nell Nixon, Hondo loser, and scored three runs in the second inning, and four in the fifth.

Legion Jrs. Edge By Uvalde 9-8

Hondo's American Legion team took a close decision from Uvalde here Monday night with an extra inning ball game that ended 9-8.

Going into the eighth tied 7-7, Uvalde scored to step out in front 8-7. With the bases loaded, Alvin Hartman rapped one against the center field fence, and cleaned the sacks. As soon as the second run scored, the game was over.

Uvalde is again on the schedule, over there June 10. Other games are being arranged, but none are yet ready for announcement.

Sorority To Install New Leaders

New officers of the Iota Upsilon chapter of Epsilon Sigma Alpha International sorority will be installed Thursday, June 2, in a meeting to be held at the air base.

They were elected May 5 at a meeting in the home of Mrs. Frances Folse.

Officers will be Mrs. Flo Robinson, president; Mrs. Tad Eubanks, vice-president; Mrs. Nan Atkinson, treasurer; Mrs. Martha Eubank, recording secretary; and Mrs. Dixie Beard, corresponding secretary.

Twenty-three members were present to enjoy an outstanding program on mental health. A dramatized skit by a group of University of Texas students was presented by tape recording.

Due to the growth of the local chapter, meetings during the summer will be held this summer in one of the available buildings at the air base.

BARBECUE SUPPER SERVED

Twenty-one members of Iota Upsilon Chapter of Epsilon Sigma Alpha International Sorority enjoyed a delicious barbecued chicken supper at the home of Mrs. Nan Atkinson, Tuesday evening, May 24.

FIVE HONDO FFA MEMBERS TO ATTEND CONVENTION

Five members of the Hondo FFA Chapter are making plans to attend the Area 7 FFA convention in San Marcos, May 30 and 31, the first held in this area. Its purpose is to better prepare state officer nominees and voting delegates for the State FFA convention.

The organization meeting of Area 7 was held at San Marcos last year in November. Clyde Bohmfalk of Hondo and Mike Finger of D'Hanis were elected area reporters. The present officers will have charge of conducting the area two-day convention and new officers will be elected by the voting delegates. Herby Fasel and Arlen Graff will serve as voting delegates for Hondo FFA Chapter.

Other Hondo boys who will be interested in this convention are: Floyd De Grodt, who is applying for the State Farmer Degree; Bill Moos, who is applying for the American Farmer Degree; and Colby Joe Heyer, who is an applicant for the farm mechanics and farm electricity cash awards. Bill Moos is also a candidate for area nominee for State FFA officers and for the dairy farmer award.

The first day of the convention will be spent in committee meetings. Clyde Bohmfalk, Hondo's new chapter president and Area 7 reporter, will serve on the area committee of work program with three other FFA boys and three teachers of vocational agriculture. John McAnelly will serve as chairman of the area checking committee for state farmer degrees. Eight committees will meet all day Monday and prepare committee reports for the convention to report and act on May 31.

The first general session of the convention will be held Monday night at the SWTSTC campus. During this first meeting an area

talent contest will be held. Robert Thompson of Hondo plans to play his Marimba in this contest. The area winner will perform at the state FFA convention in Houston July 21.

On the second day, a state officer nominee will be selected and Bill Moos will appear before this convention and campaign for his nomination as state officer nominee. Committee reports will be voted on and a constitution will be approved.

McAnelly, Clyde Bohmfalk, Herby Fasel and Arlen Graff plan to drive to San Marcos Sunday night. M&M Robert Thompson will bring Robert to San Marcos for the talent contest Monday afternoon. Bill Moos will drive up Tuesday morning.

Mrs. W. T. Crow Compliments Mrs. Jennings

Mrs. W. T. Crow honored Mrs. Ray Jennings with a coffee Tuesday morning. The honoree wore a periwinkle blue cotton dress with white carnation corsage.

In the dining room, coffee was poured by Mrs. V. H. Crow. The centerpiece was composed of daisies and pink roses, with the daisies resembling the sail of a boat resting on the roses. Miniature ships were placed around the arrangement.

Mrs. Jennings plans to leave Hondo Monday on her European tour.

Nancy Ann Groff Named Top Hand

Five year old Nancy Ann Groff, daughter of M&M Buddy Groff, was named best dressed little top hand for the girls in a contest coinciding with the Stompede in Bandera recently.

Blond Nancy wore a dusty pink western outfit, black hat and black boots. Roy Dean Chancy won the contest for boys. This pair rode in a convertible in the big western parade.

The following day Mrs. Groff and Nancy met Bud at Vernon. Nancy is a granddaughter of the Jack Ulbrichs. Here visiting the Ulbrichs that weekend were Dr. and Mrs. R. P. Raish and family of Arlington, and all went to Bandera for the stompede.

Pink And Blue Shower Honors Mrs. E. Muennink

Members of the Wesleyan Service Guild honored Mrs. Ernest Muennink with a pink and blue shower Thursday evening in the home of Mrs. E. W. Brucks.

The pink and blue theme was carried out in the decorations and refreshments and the gifts were presented in a miniature bassinet.

Honored guests besides the honoree were her mother, Mrs. Albert Eckhart and Mrs. Henry Muennink.

Shower Held For Miss Marlene Evans In Yancey

A shower was held last Wednesday afternoon for Miss Marlene Evans, whose marriage is to take place in early June.

The Methodist recreation building was decorated with arrangements of spring flowers. The serving table was covered with a cut work cloth, with a centerpiece of pink roses, baby's breath and blue plumbago, in a crystal bowl, flanked by white candles in crystal holders. Miss Joe Nell Wiemers served the cake and Mrs. Larry Evans, the punch. Mrs. Philo Crain registered the guests.

Miss Evans dress was a princess style, rose sheer cotton with a small round collar on a scooped neckline. The front had two roses of lace on either side with tiny tuck between, extending from the shoulders to the full gathered skirt. Her corsage was white carnations. Her mother, Mrs. Aubrey Evans wore a grey tailored dress with a pink coronation corsage.

Hostess were Mesdames Alfred Boggus, Alfred Wiemers, E. E. Wilson, Jimmie Heiligman, Joe Nixon, Philo Crain, Leroy Fessler and C. E. Gathright.

Out-of-town guests were Mrs. J. D. Baker, Jr., Mrs. Edwin Grell, Mrs. Larry Evans, Mrs. Alfred Brucks, Mrs. Ernest Hartman, Mrs. John Britsch and Mrs. Finis Prescott of Hondo, and Mrs. Jerry Howard of Devine.

MAGIC APPLE CREAM PIE
(Makes one 9-inch Pie)
1 (9-inch) baked pie shell, cooled
1 tablespoon (1 envelope unflavored gelatin)
½ cup water
2½ cups (1 lb. 4-oz. can) canned sliced apples
1 teaspoon cinnamon
1-3 cup sugar
2-3 cup (1-2 15-oz. can) Eagle Brand Sweetened Condensed Milk
1 teaspoon grated lemon rind
1-4 cup lemon juice
2 eggs, separated
1. Soften gelatin in 1-4 cup of water. Let stand 5 minutes. 2. Reserve 6 apple slices.
3. Combine remaining apples, cinnamon, sugar and remaining 1-4 cup water in a saucepan. Cook over medium heat, stirring constantly, about 12 to 15 minutes, until apples are slightly transparent and tender. Add one-half of the gelatin, stir until dissolved. 4. Pour into pie shell: Chill. 5. Combine Eagle Brand Sweetened Condensed Milk, lemon rind, lemon juice and egg yolks; stir until thickened. Dissolve remaining gelatin over hot water, stir into mixture. Beat egg whites until stiff but not dry; fold into mixture. 6. Pour over apple mixture. 7. Chill until firm, about 2 to 3 hours. If desired, garnish with whipped cream, reserved apple slices and quartered maraschino cherries.

Cadenhead-Bush Rites Held In Devine May 20

DEVINE — The marriage of man and ushers were Bradford Miss Billie Rhea Cadenhead, daughter of Mr. and Mrs. R. R. Cadenhead of Devine, to Donald Bush, son of Mr. and Mrs. Leslie (Peck) Bush of Devine, was solemnized in the First Baptist Church on the afternoon of May 20. The Rev. Don Rose officiated in the double ring rites.

Don Lawrence, accompanied by Mrs. Temple Adams, sang "Because."
Large baskets of white gladiolus were used in the church.

The bride wore a ballerina length dress of white eyelet embroidered organza, white hat with veil, and white gloves. She carried a colonial bouquet of pale pink carnations.

Mrs. Joe Nixon of Yancey, matron of honor, wore yellow organza with white accessories and carried blue carnations. The bride's mother wore pink, the groom's mother wore navy and each used white accessories and white carnation corsages.

Joe Nixon of Yancey was best man and ushers were Bradford Bush and Maurice Jones.

A reception was held in the parlor of the church. The three-tiered wedding cake was adorned with pink sugar spun roses and a miniature bridal couple. It was served by Mrs. George W. Thompson, Sr. and Mrs. Leslie Bush, Jr. Mrs. John C. Redus and Mrs. William Herring alternated in serving punch. The bride's sisters, Laura and Betta, presided at the bride's book in which 63 registered.

Following a wedding trip, the couple will be at home in Devine. The bride is employed at Kelly Field and the groom at Hondo Air Base.

Schultz To Graduate Sunday

SEGUIN — Ivan D. Schultz of D'Hanis will be a candidate for a Bachelor of Business Administration degree in Texas Lutheran College commencement exercises at 7 p. m. Sunday, May 29.

In his years at Texas Lutheran Schultz served as manager of the college bookstore, was vice-president of the student body and was a baseball letterman.

President W. R. White of Baylor University will address TLC graduates at the college's 64th commencement exercises.

The Rev. Royal E. Leshner, president of the Texas Synod of the United Lutheran Church, will be the baccalaureate service speaker at 10 a. m. Sunday in the college chapel.

Edward A. Sagebiel is president of the college.

Athletes Can Be Topnotch Students

Jimmy Holland of Uvalde disputes the adage that athletes aren't good students.

Jimmy is valedictorian of the 1955 Uvalde High School seniors.

Other than lettering three years in football, basketball and baseball, Jimmy has been elected to several positions of honor by the student body. Also, his honors aren't confined to school activities. He's also become an Eagle scout, one of the highest honors in the boy scout program, and a church affiliation entitled him to the God and Country award.

He's been president of the MYF and president of the Kerrville district.

The next step is entry into the University of Texas where young Holland will major in pharmacy.

QUIHI NEWS

By Mrs. Jack Sharp

Mrs. Wesley Wiemers will take over the news next week, please call her. She is doing well but she still isn't too strong!

Mrs. Frank Muennink, Mrs. Wilkes Wiemers and children Doris, Judy and Dewayne and Mrs. Franklin Muennink and children Glenn and Karen were Robstown visitors over the weekend. They visited the Bill Wheelers who are entertaining a new baby girl! She is also welcomed by two brothers. Mrs. Frank Muennink remained for an extended visit.

Those from our community who attended the Women's Missionary Federation on Tuesday at Knippa were Rev. and Mrs. Durkop, and Mesdames Arnold Balzen, Arthur Schulte, Walter Graff, Melvin Balzen, Clarence Saathoff, Lewis Boehle, Rolf Saathoff, H. J. Boehle, Walter Saathoff, Annie Hartmann, Ehme Saathoff and Alfred Saathoff.

Those enjoying a fish supper with M&M Herman Gerdes, Margie and Archie Ray were M&M Alfred Saathoff, Willie and Patricia, M&M Clarence Dailey and Danny and Larry Coyle.

Dolly Saathoff was Barbara Jean Chapman's guest to Corpus over the weekend.

M&M Aubrey Mooney were agreeably surprised on Monday afternoon by M&M Louis Winter from Liberal, Kan. Mr. Winter and Mr. Mooney were "buddies" during World War II. It was the first visit together in eight years.

M&M Alfred Saathoff and Patricia and M&M Rolf Saathoff and Bruce and Connie were Sunday visitors of M&M Hubert Burger at Tarpley.

M&M Edwin Wiemers were Monday evening visitors of M&M Wesley Wiemers.

Mrs. Aubrey Mooney and Kathy were Friday afternoon visitors of Mrs. E. W. Lacy and Mrs. Myrtle Williams while Billy attended a birthday party.

Mrs. L. J. Oefinger is in Knippa with her mother who is ill.

Mrs. Helen Schroeder of Knippa is visiting with her daughter, Mrs. Wesley Wiemers.

Mrs. Marion Muennink and daughters were Friday evening visitors of Mrs. Wesley Wiemers.

The Upper Quihi Community Club met for the regular monthly meeting on Friday evening.

All plans were made for a barbecue supper on June 4. After the short business meeting, card games were enjoyed by all.

Here In Hondo

M&M Pat Galvin, Ricky and Diane arrived in Hondo Sunday from their home in Evanston, Ill. Mrs. Galvin and children are visiting here with the Bill Bergers while Pat is doing some feature story writing in Dallas and Houston.

Next Time, Don't Stop, Mr. Editor

By Fred McGahey

I've had my most peculiar happening.

It happened one Monday evening about dusk. I was driving along about to turn off Hwy. 90 when I saw what looked like a tire rim lying across the center line of the pavement.

I was about to turn off the highway but a thought kept sticking itself ahead of anything else. The thought insisted that here is a destructive weapon that could cause a wreck.

Thus, I turned my car around, parked off the shoulder of the highway and had a closer look. Heck! It was nothing but a rubber innertube but curled so that in the poor light of day it resembled a rim.

I flipped the innertube off the highway, then covered a couple of miles before stopping to make a call home. Automatically, I began feeling around in my shirt pockets. There is where I keep a removable dental bridge when the day is done and no one is around.

The bridge became necessary after a high school basketball accident.

It wasn't there! I searched where I had parked my car on gravel adjacent to a filling station. Still no bridge.

I hurriedly called my wife and told her I'd be still later because I had to go back and search for the tooth.

My flashlight doesn't work, but I had no trouble finding the spot where I had thrown the innertube. By the light of passing cars I looked for glints of gold. Still watching so I wouldn't get run over, I scanned the pavement. Here and there I was disappointed because there were other glints, too.

Directly, I found two pieces, but the porcelain teeth were missing and the base against which they were fastened was bent. Some truck had probably hit it.

Next morning my dentist indicated I had found the right pieces — the ones that hook on to upper jawteeth. Four months before he had made a plaster impression of my teeth and he went by this model. But when he tried the remade bridge it wouldn't fit my molars.

That's my most peculiar happening. What's yours?

An Appeal for 101 Days of Safe Driving

During the summer months—from Memorial Day through Labor Day—highway traffic fatalities are high. So high that the Governors' Conference has endorsed a nation-wide safe driving program during the 101 days between the two holidays.

Only you, the motorist, can make this campaign a success . . . If you, and every other highway traveler, will resolve to drive at a safe speed, to follow the recommendations of Safety Associations for safe highway driving, literally hundreds of lives will be saved during this summer's travel. One of them may be your own.

**Wherever you drive this summer,
PLEASE DRIVE SAFELY**

Safety Associations recommend that you follow these simple rules for a safe vacation trip:

- Observe all posted speed limits; don't hurry, ever.
- Regulate the speed of your car to highway and traffic conditions.
- Don't drive too long—stop when you're tired.
- Observe all highway caution warnings—slow down for curves, when descending steep hills, etc.
- Don't drink when driving.
- Follow the golden rule of traffic courtesy: give other motorists the same consideration you'd like for them to give you.

HAB Sets New Primary School Safety Record

Hondo Air Base now holds the safety record among all contract schools in the United States. The base has gone 137 days without an accident. The previous record set by any base was 112 accident-free days.

"That record will probably go a long time before it's broken," noted Capt. E. L. Cranford, project officer.

Yancey Girl Wins Special Music Award

SAN MARCOS — Frances Fessler Wegner has been cited as an outstanding musical student.

The Southwest Texas State student from Yancey won her spurs and special recognition in the eyes of the college music department on Awards Day May 17.

In addition, Mrs. Wegner and Macon Delavan of Rte. 1, Devine, were recognized for their faithful service in music activities, particularly in the A Capella Choir. Both had minor roles in "Manon" when the San Antonio Symphony presented that opera in February.

Don Tschirhart of Castroville received recognition from the Air Science Dept. as winner of the Consolidated Vultee Aircraft Corp. award. Don is a cadet airman third class in the SWT Air Reserve Officers Training Corps and is a member of the unit's rifle team.

A Devine student, James Oppelt, was recognized by the Industrial Arts Dept. for achievement and leadership in departmental activities and in the I. A. Club.

Besides the students receiving individual honors, groups of students were recognized as members of honorary organizations. Macon Delavan and James Pentecost of Devine are members of Sinfonia, honorary men's music fraternity.

HIGHLIGHTS and SIDELIGHTS FROM THE STATE CAPITOL

(Continued From Page 1A)

The proposal would set up a six-man board, to be appointed by the Governor. Corbin also contended that the board should be elected, rather than appointed. In objecting to the method of taxation, Corbin said that it would cause dry land farmers to bear the burden of water projects in other districts.

Like the other "billibusters," it was fruitless.

Rain Steals the Show

General rains throughout the state stole the spotlight from the Legislators the past week. It was NEWS — BIG news. Even where there were floods, there were smiles of gratitude for the moisture.

As for the capital city, weathermen here report that Austin already has received more rain this year than it did throughout 1954.

Recent almost statewide rains have changed Texas' crop outlook from "dismal failure" to "fairly good" according to Agricultural Commissioner John C. White. Rain came too late to help the wheat and oats, says White, but benefits to pastures. He pointed out the need for a normal amount of moisture the rest of the year.

Probe In Senate

Lack of information prompted them to approve veterans land deals as a matter of routine. So said two state officials testifying in the Senate phase of the Land Office investigations.

State Comptroller Robert S. Calvert and State Auditor C. H. Cavness were the witnesses.

Cavness showed a form used by Giles to request funds for loans. Bearing the seal of the land board, the form carried no signature other than Giles.

"Nothing came to us to cause us to have any suspicions," Cavness said, adding that he had

assumed the deals had been approved by a majority of the three-member board.

Governor Shivers and Atty. Gen. John Ben Shepperd recently have made affidavits to the effect that they were absent from board meetings on certain dates when the minutes cited that they were present.

From San Antonio, the district attorney's office announced it was demanding the maximum 10-year prison term for Giles, in his scheduled trial on charges of accepting a \$30,000 bribe. Also that C. V. Wynn and Arthur McKenzie of San Antonio, charged with offering the bribe, would "turn state's evidence" against Giles.

Weekend discussion of a further postponement of the trial was based on the reported employment of an unnamed member of the Legislature as counsel. This is automatic grounds for continuance until 30 days after adjournment of the Legislature.

Short Snorts

Venue in the future income tax trial of George B. Parr, political boss of the Duval County area, has been transferred to Austin.

Sen. William H. Moore of Bryan has pending in the Senate a resolution to investigate Southwest Conference athletic recruiting, following accusations against A&M College.

A Senate committee struck from the House-passed "unfair sales" bill authority for a trade association to sue a merchant for selling goods below cost. Sponsors said they wanted that provision because an individual merchant might hesitate to sue — and give housewives the idea he was trying to keep them from buying as cheaply as possible.

Cuts in allowable oil production, made by the Railroad Commission, whittled the State's prospective revenue from oil. June allowable was cut 64,820 barrels daily, and July 67,219.

The Senate joined the House in passing Rep. Dolph Briscoe's stringent bill regulating veterans' land sales and outlawing block deals. Briscoe's constitutional amendment replaces the Governor and Attorney General as Veterans Land Board members. Two appointive members would serve with the land commissioner.

On October 14, 1947, less than one month after the U. S. Air Force became a separate, independent partner in the newly-created National Military Establishment. The Air Force's first rocket-propelled airplane broke through the sonic barrier at the speed-of-sound.

By Mrs. Ida Jungman

The members of the Veterans of Foreign Wars sponsored a social Saturday evening. It was well attended and included guests from Macdona and Castroville.

M&M Alfred Mann were in Lacoste Monday morning. While here they visited several of their friends.

M&M A. C. Atkins and daughter, Ruby Mae, left Sunday for a week in New Orleans.

M&M A. N. Mangold of Rte. 4, SA, visited in the homes of the C. R. Hills and the R. J. Mangolds recently.

Visitors in the home of Mrs. Ida Jungman last Sunday were M&M William J. Engelbrecht and sons Barry J. and Tommy of SA.

Gilbert Espino went to SA Saturday evening to get his family who had been spending the week there.

Good rains were reported in the Atascosa area by M&M Ed Parsons who were visiting here last Saturday.

George Sultenfuss and Mrs. Mary Bridee of Los Angeles, who are visiting friends and relatives in SA, accompanied his sister, Mrs. Herman Windlinger of SA

on a visit in the home of Mrs. Mary Jungman and family last Thursday.

M&M Lawrence Jenschke and son Mark, and M&M James Onion and the twins, all of SA, visited Sunday in the R. J. Mangolds home.

Weekend guests in the home of M&M A. C. Heath, Jr. and daughters were Misses Dorothy Watt and Merrilouise Gastings of SA.

Visitors from Austin, M&M C. G. Beard spent Sunday with M&M M. C. Parish.

M&M James Robertson of SA visited the A. C. Heaths last Sunday.

M&M M. C. Parish and Mrs. A. C. Heath and daughters Sharon and Pamela, visited Mrs. W. E. Folschinsky in SA Thursday afternoon.

Mesdames Mary and Ida Jungman visited in the Sylvan Stine and W. J. Jungman homes Thursday afternoon in Rio Medina.

M&M Daniel Andrew and children of SA spent the weekend with Mrs. Mary Geiger and sons. They all took in the VFW social Saturday evening.

Grells Stage Reunion After Air Force, Army

These pictures were first used in The Anvil Herald several years ago when the brothers enlisted.

Home again after serving with the Air Force are Milton and Charles Grell, twin sons of the Arthur Grells. Shown above, with S Sgt. Irma Rogers, who welcomed them at their enlistment in the Air Force back in 1951, are the twins. The boys got to see a lot of the world, and returned from Hawaii recently. Their brother, William, also returned after spending two years in the Army. He flew back in time to attend

the silver wedding celebration given by his parents, and it was the first reunion for all the brothers in several years. William took basic training at Camp Roberts, California, went overseas to Coptieux, France, and while there toured England, Holland, Germany and Spain, and saw parts of Italy, Austria and Switzerland.

What do you
look for
in an
investment?

We are currently offering Foundation Shares — at virtually book value — in American Trust Life Insurance Company, whose record of growth is unequalled in the history of the life insurance business. Read these facts about a rare investment opportunity:

SAFETY

Your investment in American Trust is 100% safe, by virtue of the following guarantee, issued to you upon purchase of stock: The American Trust Underwriters will buy back your stock, at any time of your choosing, at the full price you paid the company for it. This guarantee is possible because those who know this company best — the founders and original stockholders — know that your stock will shortly be worth more than you paid for it. Contrary to usual practice with life insurance companies, American Trust stock is not "watered," but is offered at virtually book value, so that you may see a pyramid of your investment and a handsome increase in net worth within the first five years.

IMMEDIATE RETURN

In addition to full security, an above-average interest rate on your total investment — paid semi-annually — is guaranteed.

CAPITAL GROWTH

The leading successful life insurance companies in the world have been built upon the simple practices of honesty, good service, aggressive management, a tremendous sales force, and ultimate profit to the stockholders. American Trust is following this proven pattern, with a degree of success unparalleled in the history of the life insurance business. Since the company was chartered on May 26, 1953, it has:

- Raised its capital from \$25,000 to \$250,000, with over 1800 business and professional leaders of Texas among its stockholders.
- Developed a most powerful productive sales force, consisting of over 300 life insurance salesmen.
- Written 4,680 policies during the year 1954, with an annual premium of around \$123.00 per year per policy.
- Received over 4700 policy applications during the FIRST FOUR MONTHS of 1955, with an annual premium of approximately \$123.00 per application.
- Acquired the services of outstandingly capable executives to head the Agency Departments and the Home Office, and employed the finest counsel in the fields of law, investments and accounting.

This '55 Buick
must have something that
folks just won't do without!

PICK YOUR CAR FROM THE
HOTTEST-SELLING BUICKS IN HISTORY
There's a Buick to fit every purse and purpose—the
bedrock-priced SPECIAL, the high-powered CENTURY,
the extra-spacious SUPER (illustrated here in the
Riviera model), and the custom-built ROADMASTER.

Two months ago, in the public
print, we said that this looks like
Buick's biggest year—and we weren't
fooling.

But what has happened—and contin-
ues to happen—is almost beyond belief.

People buy up these stunning new
Buicks practically as fast as we get
them from the factory. Buick produc-
tion—already revised upward several
times—keeps forging ahead to new
highs every month to meet the mount-
ing demand.

And Buick sales keep soaring higher
and higher—outstripping
by far the phenomenal success of last
year—the success that moved Buick

into the "Big Three" of America's
best sellers.

What is it about the '55 Buicks that
folks by the hundreds of thousands
just won't do without? It's many
things.

It's styling that's boldly distinctive
and fresh as tomorrow. It's beauty of
line and beauty of interior décor. It's
a ride that's level, firm and steady. It's
a new sweetness of handling. It's great
power—walloping new V8 power of
record might.

But above all, it's a new kind of
performance, from a new kind of

automatic transmission that was born
of flight thinking.

It's Variable Pitch Dynaflo®—engi-
neered from the principle of the
modern plane's switch-pitch propeller
—and what it brings you in the way of
pure thrill, mere words can't describe.

Just you drop in on us this very week
and try it. That way you can see what
a terrific automobile—and a terrific
buy—the hottest-selling Buick of all
time really is.

*Dynaflo Drive is standard on Roadmaster, optional at
extra cost on other Series.

Thrill of the year is Buick

ANVIL HERALD CLASSIFIEDS
GET RESULTS

PERSONAL APPEARANCE By Jerry June Berger

The Anvil Herald had barely been distributed last week when MRS. FRANK GRAFF, JR. called to tell us the owner of a book that we mentioned in our column last week. (The book had been left here for binding repairs, and the accompanying name was misplaced). The first volume of a set entitled Book Trails for Baby Feet, it is part of an heirloom collection of MRS. E. L. PERKINS, who greatly enjoyed the series as a child and is preserving them for future generations. Stories to please call all ages of youngsters are included in the

volumes, each one advancing as the childish interests grow. Our thanks to MRS. GRAFF for solving the ownership problem.

PA

MRS. FRANK WILLIAMS contributed the following to our cute sayings of kids department. MRS. BOB SUTTON recently took daughter DEBORAH on a shopping spree and one of their purchases was to be a shorty gown with matching panties for the five year old miss. After looking over the lot, DEBBIE made her selection—a tiny checked gingham that was fully gathered and just hip length. Her comment:

"A darling gown, Mother, but are you sure it isn't a pregnant dress?"

PA

JEROME FINGER went banking a few days ago accompanied by one three year old daughter SHELLEY and one three month old kitty. The latter apparently feared that it would come to a CAT-astrophic end in those flashy surroundings, for it seemed to CAT-a-pult out of SHELLEY'S chubby arms, breezed by Chairman of the Board, J. H. BURGIN, and took shelter in the darkened officers room. Here it remained until, routed out several minutes later by FINGER, daughter SHELLEY, and NORMA (MRS. BOBBY) ROTHE.

CAPTAIN VINCENT R. LE-BLANC flew here all the way from Greenland earlier in the month, timing his arrival just right to coincide with the music recital in which his nine year old daughter, SANDRA KAY, participated. This is about half way through his tour of duty in the cold country — expects to spend about six months more up there. SANDRA, a niece of MRS. HENRY FLORY, is living with the FLORYS.

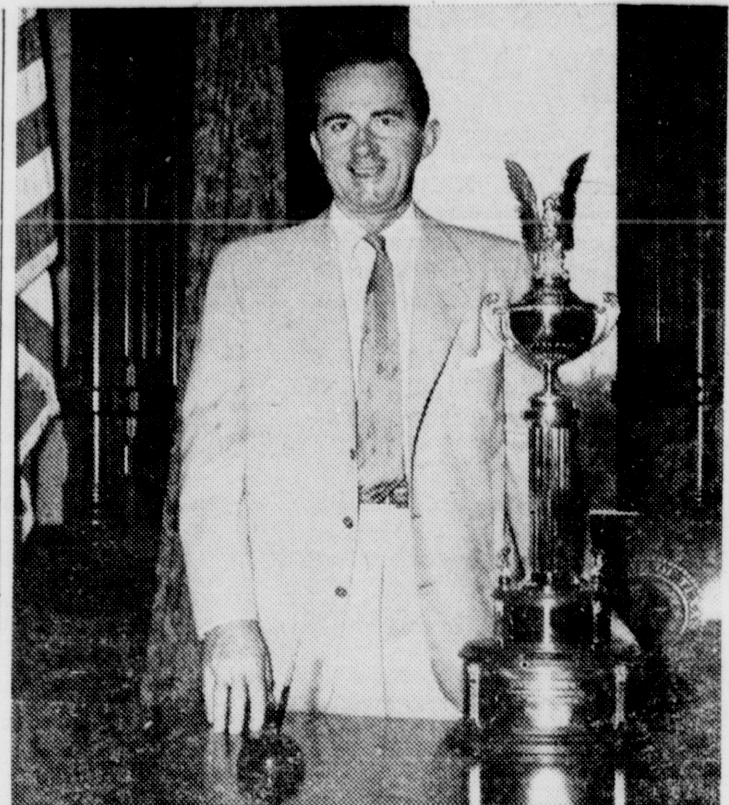

Here In Hondo

M&M Bob Sutton and daughter Deborah spent the weekend in Taylor where they attended a family reunion of Mrs. Sutton's family.

TROPHY FOR 36TH DIVISION — Governor Allan Shivers stands beside the Governor's Trophy, which he has presented to Maj. Gen. Carl L. Phinney, commander of the 36th (Texas) Infantry Division for display before it is awarded to the outstanding unit of the division at North Fort Hood in July. The presentation will be a part of the colorful ceremonies at the annual review of the historic 36th Division July 16. The Governor's Trophy was established by Governor Shivers last year and has since become a traditional award to be given annually to the company or battery achieving the best record during field training periods. All units will be judged on the highest grade earned from the Fourth Army Inspection Board, highest percentage of actual strength attending camp and the highest percentage of actual strength to that authorized for the unit.

Hondo's Heavy Mortar Company will be competing for this trophy.
